Welcome back Patricia. You are correct. I wasn't aware that FS didn't have a CE/CX when I sent that first request. Withdrawals was the one area that I have had no previous experience in prior to coming to the Colorado State Office, so I'm learning the ins and outs of withdrawals the hard way. I recognize that sometimes makes it difficult on others involved, and I do apologize for that.

Hi Steve, I am just catching up on e-mails after being gone for a few days. What I gather, is that after asking the Forest Service to do the Categorical Exclusion for the campground withdrawal revocation, which is a BLM process, the BLM has managed to do it themselves after all? Please confirm.

Dee and Patricia,

The CX is underway and we should have it next week, assuming all goes as planned.

I hope you both have a great weekend!

Hi Steve,
I reviewed it and looks ok to me - only made a few minor changes. I will present it at our management team meeting next Monday morning where we discuss proposals and will get back with you after then. Seems pretty straight forward, so hopefully will go smoothly and quickly.
Thanks.

Hi Teresa,

This is what I've put together. Let me know if you see anything that is missing or unclear, and please change it as you see fit. At this point I don't think there is a need to send it to the FS - everything is based on their application and other materials the FS has submitted.

I've attached the application, LLD, and maps. I can send you a copy of the final EA if you A)

don't have it and B) decide you need it.

Finally, all we really need is the signed CX form. I went ahead and filled out the Decision Record portion of the CX, but that document doesn't have to be signed by Barb if she doesn't want to. Since the Decision rests with the Secretary's Office, the Decision Record that we sign would be limited to a Recommendation to the Secretary. Therefore, it is not an appealable Decision, per se. It gets a little confusing when a DR is signed by BLM, but some offices prefer to do so (John Beck used to require it, but he has softened his stance over the past year). So, if Barb wants to sign the Recommendation/DR, she can. But if she prefers not to, that's fine as well. Call me if you have any questions or if I've made this clear as mud.

Again, THANK YOU for your support!
